

REVENUE MANAGEMENT

Self-paced Online Learning by iRevenue

TRAINING INCLUDES

- 10 custom built online 'Workplace Essentials' training courses prepared by The Revenue Partnership (completion time approximately 2-3 hours per course)
- 10 specially selected Revenue Management leadership training courses (total completion time approximately 1 hour each)
- 4 free 'Second Opinion' responses per month to help with real life Revenue Management queries in your business – helping you transfer theory to reality (terms and conditions apply)
- Invitations to scheduled panel discussion from industry experts
- Quiz to test learning at end of each module and certification upon completion of each course

Over 30 hours of self paced learning including Revenue Essentials courses and Revenue Management Leadership Courses, with certification on completion of each course

iRevenue offers videos, articles and documents for you to work through at your own pace giving you a good breadth of knowledge on each subject and a quiz at the end to see how much you have learnt

Monthly Subscription

- £99 per month per 1-person subscription to include above services (November offer £79)
- £259 for a 3-month subscription per 1-person to include above services (November offer £219)
